Company Organization

Company History

1995 - Ulises Fabbro founds the "Construction Team".

1997 - Mr. Fabbro buys a piece of land in Paraná and builds an office.

1998 - Eliseo Cassano joins the company as vice president.

2001 - The company is affected by the crisis in the country.

2003 - Sales and business services decline dramatically.

2005 - The company registers many debts and is about to declare bankruptcy.

2006 - Mr. Fabbro receives financing from an Argentine bank.

2009 - The business begins to generate income. Argentina demands many public works.

2012 - The company pays its debts.

2013 - Mr. Fabbro buys new land in Santa Fe, Córdoba and Buenos Aires.

2014 - Mr. Fabbro opens new offices in Santa Fe, Córdoba and Buenos Aires.

2016 - The company improves its facilities and expands its work team.

2018 - The Construction Team starts some important works in Corrientes, Mendoza and La Pampa.

2020 - The company puts out to tender in the municipality of Paraná for the construction of a Drive-in.

TODAY - Construction Team is considered a high-level construction company in the country.
